### **Consulting Agreement and Confidential Client Information Form**

I .....[insert name] as the client realise and accept that my success depends on my own commitment to improving the situation that brings me here today. I acknowledge that the Intuitive Counselling/ Soul Plan reading is not diagnosing, prescribing for or treating any physical or mental ailments and I do not hold the therapist responsible for them.

I release the therapist from any liability whatsoever regarding my Reading/therapy session. Any conclusions I draw from my session or responses I have are mine and mine alone. I take full and total responsibility.

I understand that these sessions are not psychotherapy but are a therapeutic alternative aimed at creating positive changes in my life.

I agree to pay the agreed fee for any missed sessions not cancelled with the 48 hours advance notice required.

I agree to inform Emily Teague of all physical or mental conditions that might affect the work. I have duly noted these on the client intake form provided.

**I, Emily Teague, Certified Soul Plan reader, Intuitive counsellor, EFT and Matrix Practitioner,** agree to use the best of my abilities to help you make the changes that you seek and to treat you with respect and care. I agree to give you my undivided attention and professional assistance during our scheduled appointments and I agree to total confidentiality.

I am professionally committed to using my training and skills to assist you in mobilising your own resources to achieve the results that you so seek.

### **Informed Consent**

EFT and Matrix Reimprinting are highly effective healing modalities for most people.

For some, it may be intense and inner material may come up in both in and after the sessions. This is actually a healing experience when properly understood. The best action to take is to call your therapist and get assistance. Most people find they have positive experiences.

I understand this and I am willing to accept this agreement. I take responsibility for myself.
